During this Period **new members** must sign a 14-month contract lasting through January 31, 2019. The new members' membership will be free of dues for the first and last month of the contract. After signing up, the new member can then play from signing through January, 2019. **This could be 14 months of golf for the price of 12!**

## Thank You

For us at WindStone Golf Club, Thanksgiving is a perfect time to stop for a moment and once again remember to give thanks. It's

a time to be especially grateful for one's health, family, friends, and our supportive members. As we close out this year and look eagerly ahead to next year, we give thanks for all.
