

Announcing the Fall 2017 Membership Drive

Tell your family and friends that the time is right to choose one of WindStone's membership packages at a discount through November 15. This drive provides a great opportunity for current members to get rewarded as well.

During this drive new members must sign a 14-month contract lasting through December 31, 2018. The new members' membership will be free of dues for the first and last month of the contract. After signing up, the new member can then play November 2017, through December 31, 2018. This is 14 months of golf for the price of 12!

Current members may sponsor (recruit) potential new golf members. If a recruited or sponsored individual ultimately joins during the fall drive, the sponsoring member will receive two month's credit toward his/her account for each newly recruited member.
